Issued by: National Pharmaceutical Company (NatPharm)

Document Type: Expression of Interest (EOI)

Reference No.: NATPHARM/EOI/CONS/2026/001

Arrangement Period: Three (3) years: 2026–2029 (renewable)

Submission deadline: 14th April, 2026.

Clarification deadline: 7th April, 2026, (5 days before submission deadline)

1. Background

National Pharmaceutical Company (NatPharm) is the Government of Zimbabwe's central medical store, established under the Government Medical Stores (Commercialisation) Act 2000 and is responsible for the procurement, warehousing and distribution of

medicines and medical commodities to health institutions throughout Zimbabwe.

To improve the availability of essential medicines, reduce stock-outs, and enhance supply chain efficiency, NatPharm seeks to engage pharmaceutical manufacturers, distributors and wholesalers through consignment stock arrangements. Under this model, suppliers will place medicines and medical commodities at designated NatPharm warehouses while ownership remains with the supplier until the stock is formally issued to health facilities and payment becomes due after reconciliation at the end of the month.

2. Definitions

For the purposes of this EOI, the following terms shall have the meanings ascribed to them below:

Consignment Stock: Medicines and medical commodities placed at NatPharm warehouses by a supplier, where ownership and title remain with the supplier until issuance to a health facility.

Issuance: The formal transfer of consignment stock from a NatPharm warehouse to a public health facility, at which point a payment obligation arises.

Agreed Minimum Stock Levels: The minimum quantity of each consignment product that the supplier agrees to maintain at the NatPharm warehouse at any given time, as defined in the executed contract.

Sold Quantities: Quantities of consignment stock issued to health facilities for which payment to the supplier becomes due at the close of reconciliations of that month.

GDP/GMP: Good Distribution Practices / Good Manufacturing Practices as defined by the Medicines Control Authority of Zimbabwe (MCAZ) and applicable international standards.

Arrangement Period: this shall be effective from the date of signing of the contract

3. Objective of the EOI

The objective of this Expression of Interest is to identify and pre-qualify qualified pharmaceutical manufacturers, suppliers, distributors and financiers willing to supply medicines and medical commodities to NatPharm on a consignment stock basis for a period of three (3) years, commencing 2026.

NatPharm will notify shortlisted bidders and gazette the selected suppliers for public record, in accordance with the Objectives of Public Procurement.

4. Scope of the Consignment Arrangement

The consignment arrangement will cover, but not be limited to, the following categories of products:

- Essential Medicines (as listed in the Zimbabwe Essential Medicines List).
- Surgical and Medical Consumables.
- Diagnostics and Laboratory Commodities.
- Other approved pharmaceutical and medical commodities as may be identified by NatPharm

An indicative schedule of required products and estimated annual volumes is available upon request from NatPharm's Procurement Department. Suppliers will be required to maintain agreed minimum stock levels at designated NatPharm warehouses. Payments will be made only for quantities issued from the consignment stock to health facilities.

5. Duration and Renewal

The contract for the consignment stock arrangement shall be valid for an initial period of three (3) years, subject to satisfactory annual performance review. At the end of the initial term, the arrangement may be renewed by mutual written agreement for a further period not exceeding three (3) years, on the same or renegotiated terms. Either party may terminate the arrangement by providing not less than ninety (90) days' written notice. NatPharm reserves the right to terminate immediately, without notice, in the event of material breach of contract by the supplier.

6. Key Responsibilities of the Supplier

- Notify suppliers in writing of any stock shortfalls, expiries or damage within five (5) business days of identification.
- Facilitate payment for quantities issued within thirty (30) calendar days of reconciliation, in United States Dollars (USD) unless otherwise agreed in writing. Late payments shall attract interest at the rate prescribed under the Zimbabwe Prescribed Rate of Interest Act, calculated from the due date.
- Ensure NatPharm staff handling consignment stock are trained in GDP-compliant storage and handling procedures.

8. Liability, Risk Allocation and Insurance

Risk of loss, theft or damage to consignment stock shall remain with the supplier until delivery of stock to NatPharm. NatPharm shall exercise reasonable care in the storage and handling of consignment stock but shall not be liable for loss resulting from force majeure events, acts of God, or events beyond NatPharm's reasonable control.

GOVERNMENT GAZETTE

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting; it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

(a) the work involved is of a straight forward and non-tabular nature; and

(b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;

(b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

(a) the name and address of the advertiser; and

(b) the debtor's code number, if any; and

(c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

(a) that such error is reported to the editor within three months from the date of publication; and

(b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and

(c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

(a) a typographical error is made by a typographer;

(b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Submission of Copy for Government *Gazette* Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette* Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

G. MAUPA,
Gazette Editor.
